MUR 5550****Dear Mr. Jordan:**

I am representing the University of Florida with respect to the above-referenced matter.

Your letter regarding the above-referenced matter was received by the President of the University on November 30, 2004. I respectfully request an extension of time until January 10, 2005 to file the University's response. The current semester ended earlier this week and due to travel schedules and the upcoming holidays I believe additional time will be necessary to adequately prepare a response.

Thank you for your consideration of this request.

Sincerely,

**Michael W. Ford
